Mr. Howard Osborn
Director of Security
Central Intelligence Agency
Washington, D. C. 20505

Dear Mr. Osborn:

We take this opportunity to express our gratitude to your organization for inviting members of this department to attend training classes sponsored and conducted by the Central Intelligence Agency.

Not only did our officers enjoy these classes but the knowledge gained will be invaluable to them in their daily work. We did not believe it possible for police officers to receive this type of instruction.

Those officers who were fortunate enough to attend the first of these classes asked that we express their personal appreciation for the courteous and considerable manner in which the instructors developed and presented this most difficult and informative material.

We are desirous of having additional officers attend future classes. We are interested in the three subjects previously offered, and hope you will offer a future class in audio surveillance.

Sincerely,

K. W. Watkins
Superintendent
